Opening Days

The first day of school reflected the changing times at Santa Teresa, as the 1981-82 school year got under way. There was a twinge of excitement in the air, as well as a chorus of groans from students not quite ready to shed their tank tops and don shirts with — ugh — buttons.

The school day started fifteen minutes earlier this year and ended fifteen minutes later, as each class was lengthened by five minutes. Members of the freshman class, after locating the gym, attended an orientation rally while the rest of the students picked up their schedules, which they had organized during Arena Scheduling in August.

Listed in the paint charts as Pineappie, and referred to by some students as Gift of the Gulls, the new color of the gymnasium and other buildings on campus caught a few people off guard, but a larger number of returning students were shocked to observe that the hands of the clocktower actually showed the correct time. Books were issued in several classes on the first day of school, and students were not pleased to discover that the lockers were being repaired and would not be ready for use until December. All in all, however, the Saints showed a remarkable display of spirit and good humor, and it was obvious that 1981-82 would be a year to remember.

The Homecoming Dance

Seniors will remember this year's Homecoming Dance as the best ever Euphoria from the afternoon football victory over Oak Grove lured a tremendous number of spirited students to the gym Friday night to enjoy the music provided by D.J.'s from radio station K.M.E L., and to revel in a feeling of togetherness.

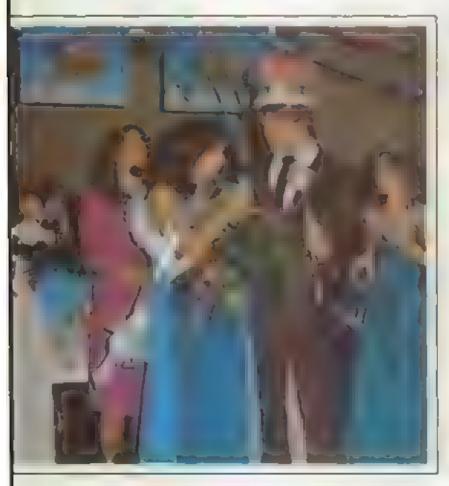

The presentation of the 1982
Homecoming Court highlighted the festivities. Student Body President Jeff Beck escorted last year's queen, Lori Beam, into the gym, and together they awarded the titles of King and Queen to Jeff Reed and Reneé Blue for representing the ideals of our school Also recognized in the voting for various outstanding qualities were princesses Loni Gomez, Cheryl Lopez, Lisa Wendt and Trina Williams and princes Tom Schultz, Bruce Vance, Gary Turnipseed, and Mark Skrbina.

Defense Dominates

It has been five years since Santa Teresa beat Oak Grove; however, the Saints got revenge this year by defeating the defending league champions 22-11 on our home field. The game was controlled by an awasome Saint defense, which produced eight quarterback saclus and six interceptions, including three by cornerback Pete Escarcega. The "eack pack" composed of Miles Nydem, Gary Turnipseed, and Jeff Reed accounted for all eight of the eacks. Other outstanding performances were turned in by Hayden Knox, Steve Koch, and Mike Burns.

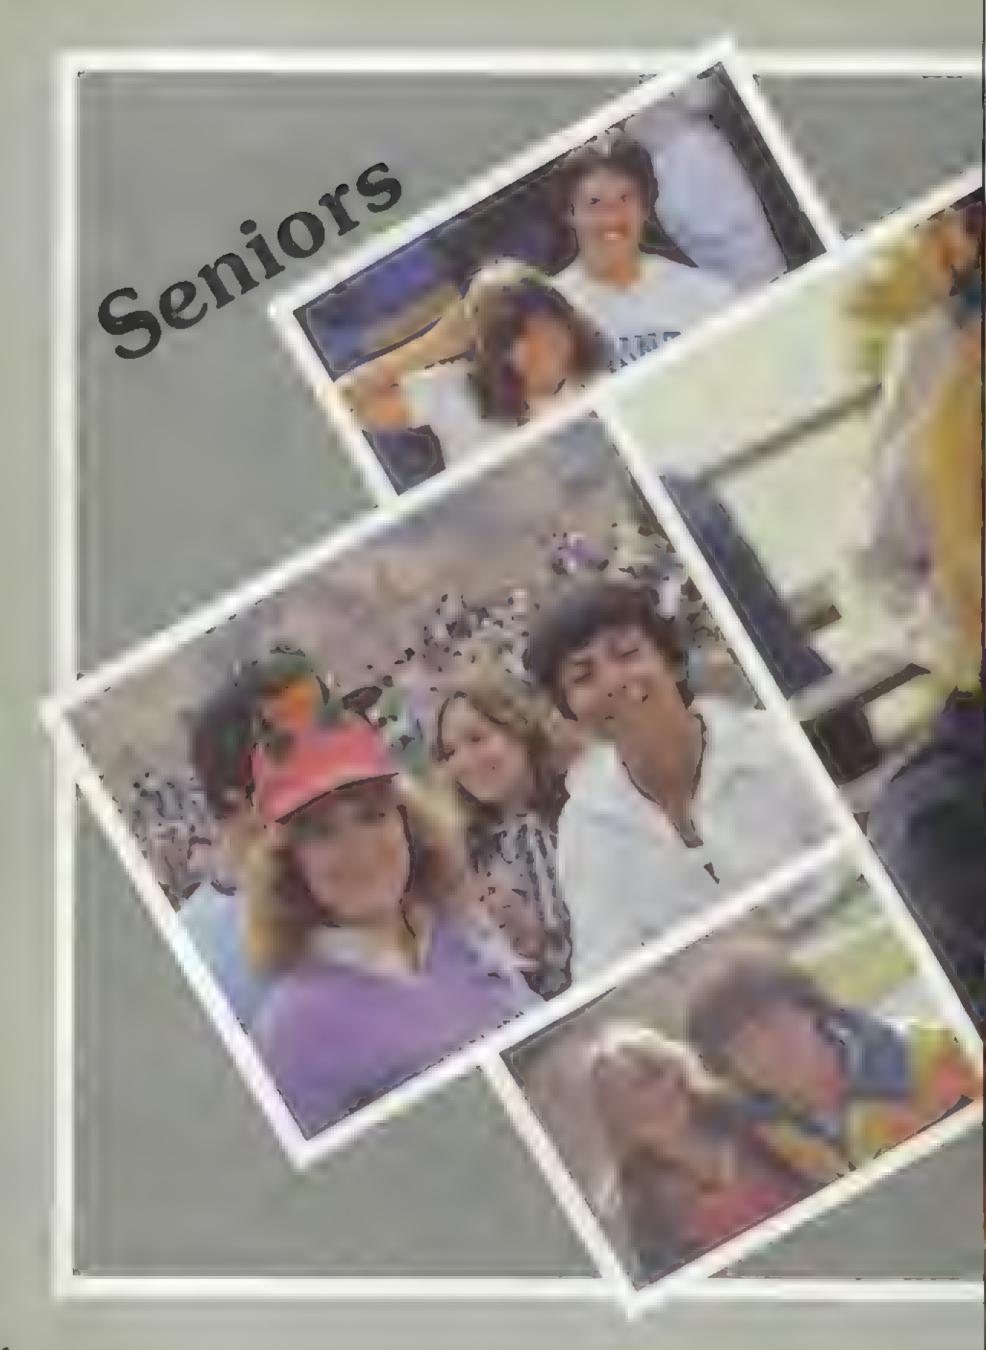

Yearbook Dedication

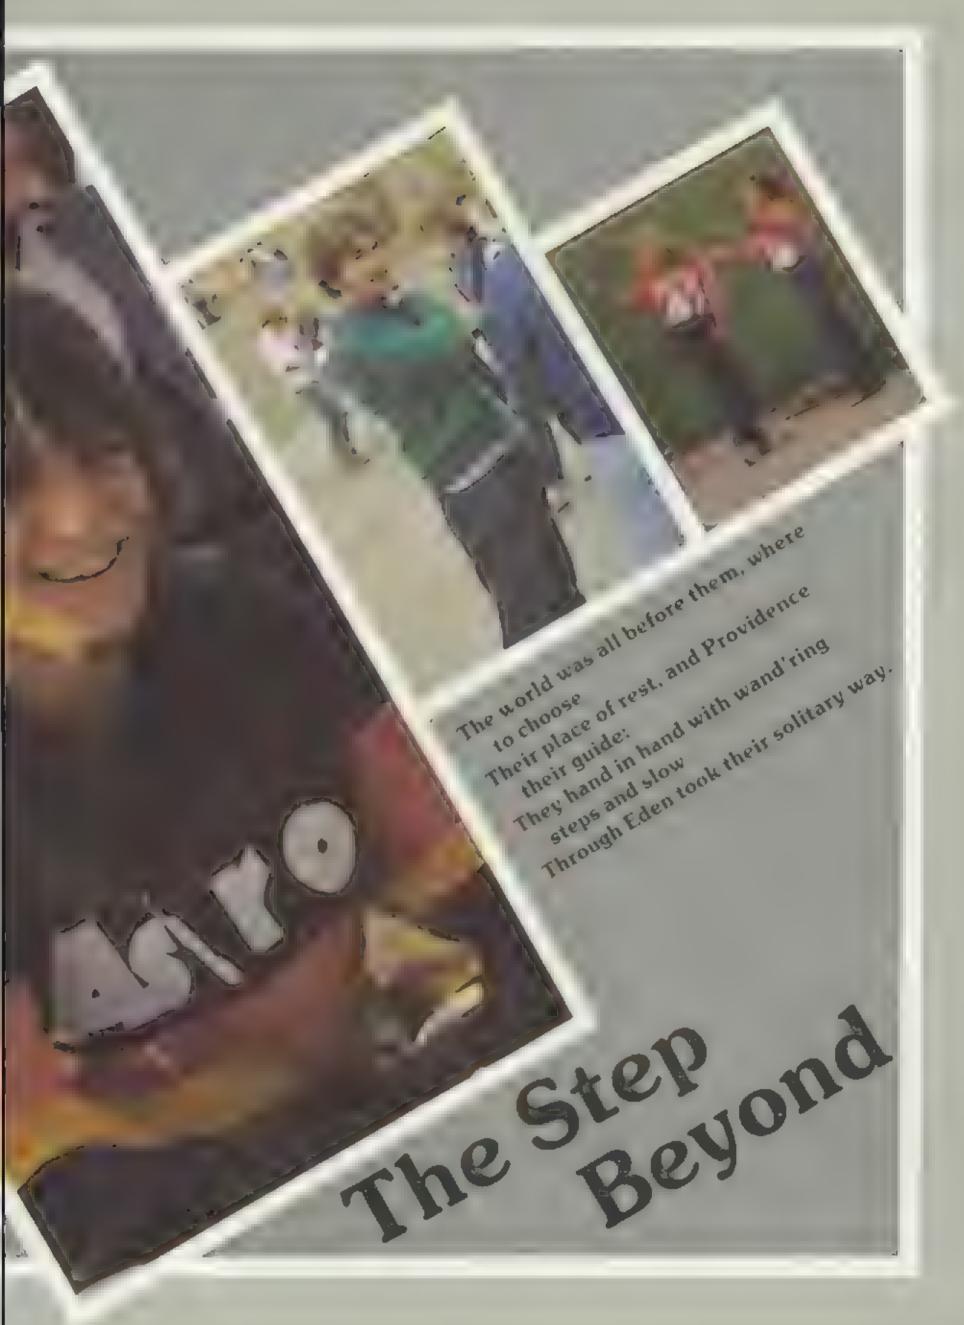

Mr. DeVita

Mr. Michael DeVita is the head of the art department at Santa Teresa and was the yearbook advisor for the 1979, 1980 and 1981 editions of the Compendium. His devotion to his work has earned him respect and admiration from his colleagues and students; yet this unique man, with all of his responsibilities, still manages to find time for everyone:

Mr. DeVita has a wife, Betti, and two children, Michelle and Matthew. Born in San Francisco, he received his AA in art at West Valley College, and then went on to San Jose State where he majored in art and received his teaching credential. Mr. DeVita has been a Deans Scholar and is a member of the California Art Educational Association, as well as the Eastside Art Educational Association. Before coming to Santa Teresa, he taught at Piedmont Hille High School for two years.

We on the yearbook staff dedicate the 1982 Compendium to Mike DeVita, because he has dedicated so much of himself to the Compendium in the past. Thanks to his efforts, Santa Teresa has gained a reputation for producing a quality yearbook, and we will always strive to uphold the standards set by Mr. Michael DeVita.

Senior Dedication

Mr. Cappelloni

When the graduating class of 1982 set out to choose the person to whom we would dedicate our section of the yearbook, we were faced with a difficult decision.

Many teachers and administrators have been encouraging and helpful, but one man in particular has impressed us with his dedication and practical advice. Mr. Nick Cappelloni has been chosen by our class to receive the 1982 Senior Dedication.

Mr. Cappelloni teaches Business Machines and Typing II, and is the Work Experience Coordinator for Santa Teresa. He takes it upon himself to help students find jobs, and works with them to resolve employment problems that may arise. Many seniors are grateful for the training they've received in his business classes and through the Work Experience program.

Mr. Cappelloni attended Santa Clara University, and received his MA at San Jose State. He has been a member of Delta Pi Epsilon, an honorary business organization, as well as the Society for the Advancement of Management, and has been teaching for eighteen years. He is married and has three sons

The class of 1982 is proud to acknowledge the efforts of Mr. Nick Cappelloni, and thank him for his guidance and support.

Senior Class Officers

Jenny Mulcaster — Senior Class President:

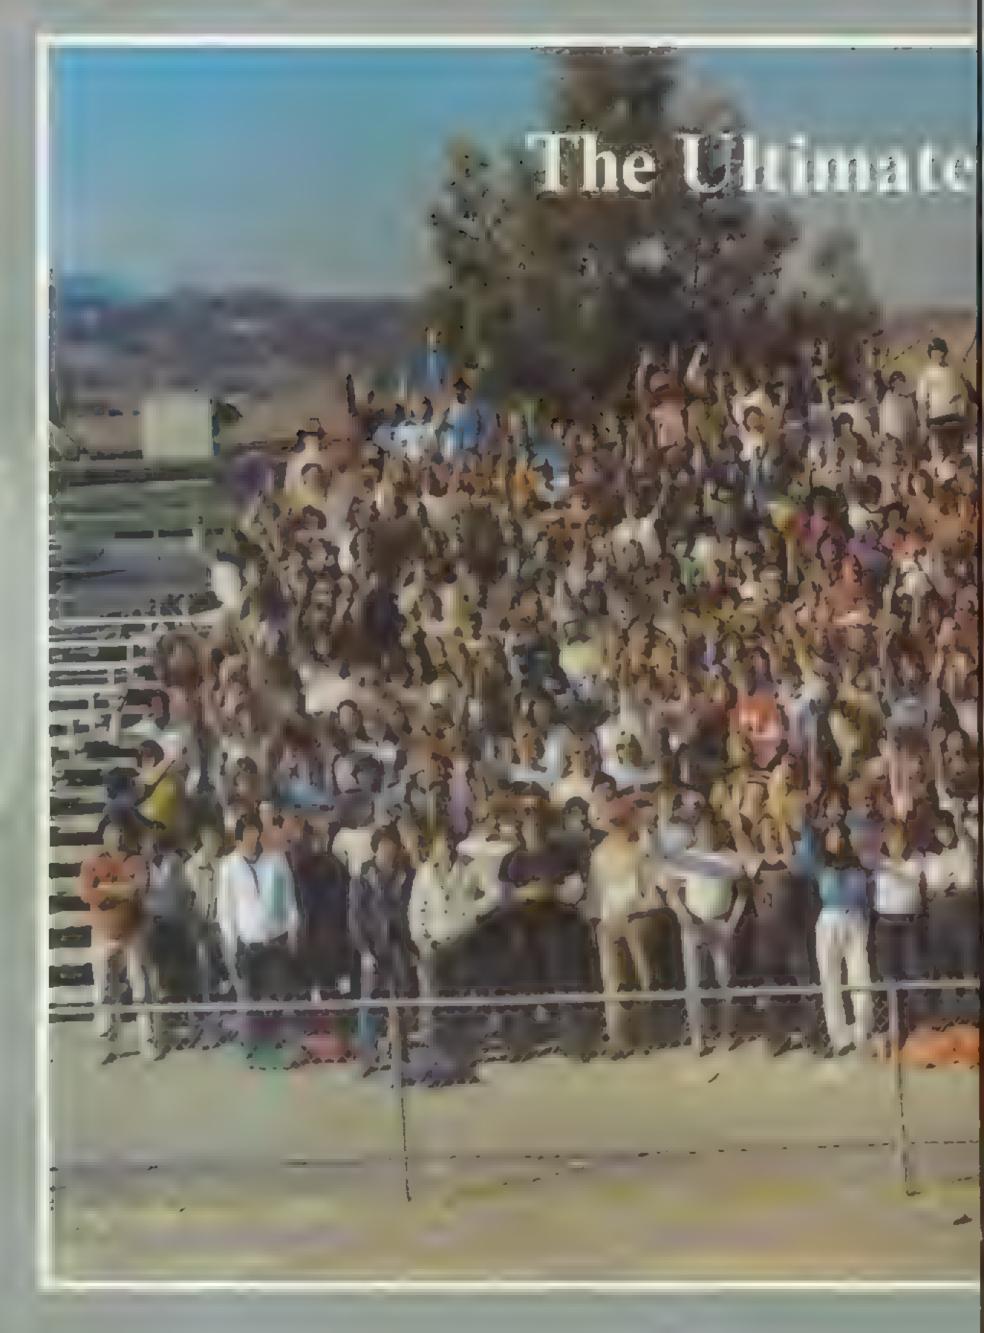

The surge of senior spirit has been overwhelming. It's been rewarding representing the class of '82 because people have been really dedicated and taken the initiative to get involved. Our class has shown great unity in working to make the activities this year memorable, to say the least

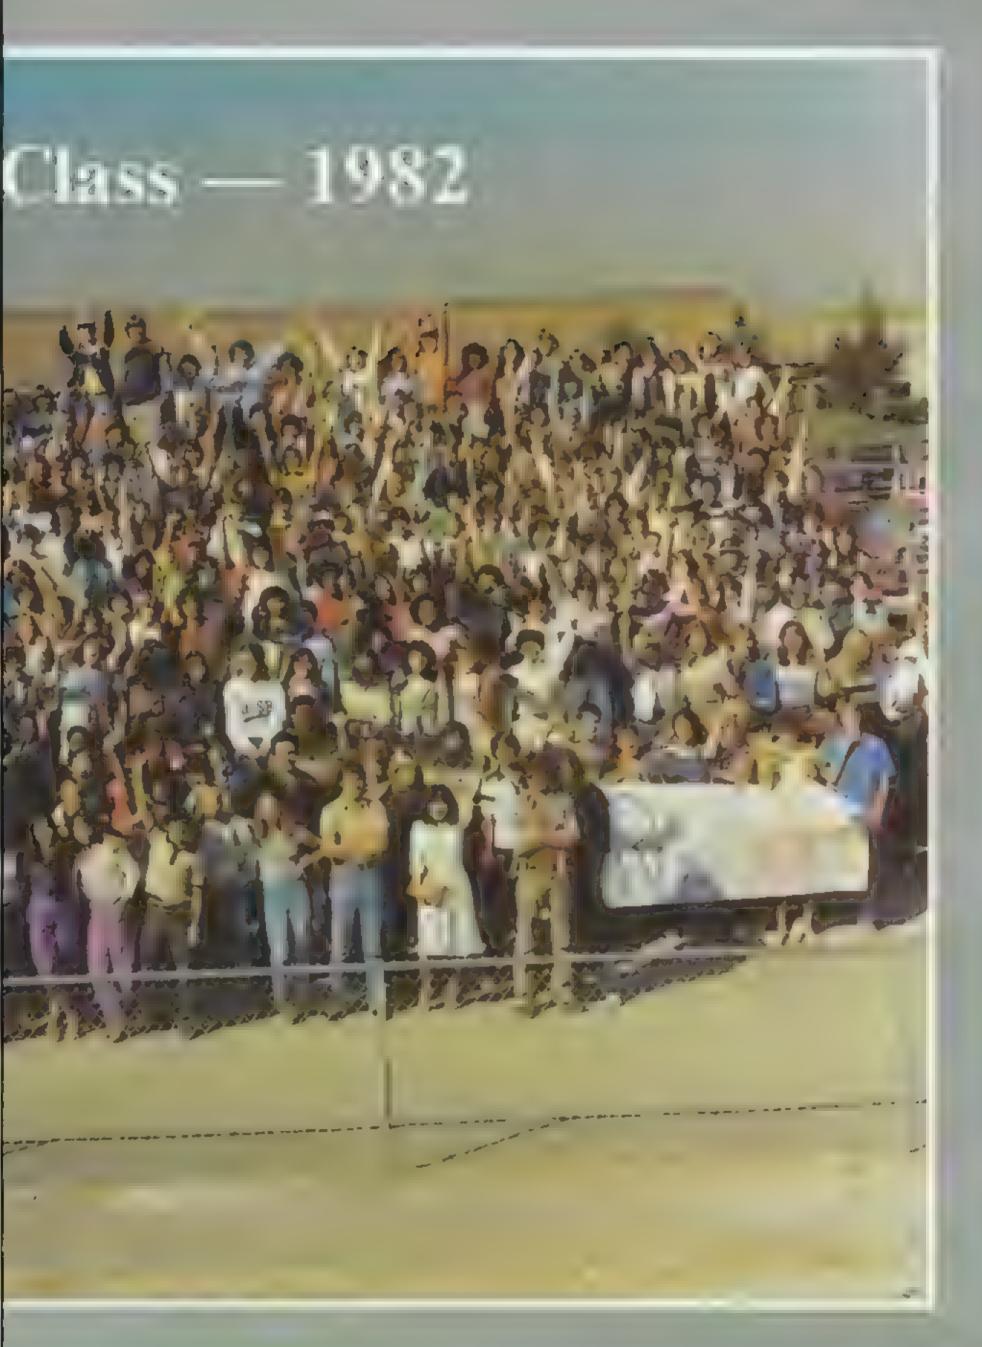

Michelle Beauchesne - Senior Class Vice-President

The class of 1982 has definitely made this year something to remember. I was able to meet wonderful people (the whole senior class!) and make some very special relationships. I hope you're all as proud of the class of '82 as I am Thanks guys and good luck!

Melanie Malick — Senior Class Secretary-Treasurer:

I have been the Secretary Treasurer for the Class of '82 for two years. I have watched us excel in everything we do. Our Senior spirit has been awesome, especially during this year's "Homecoming Week." I just want to say, "Thanks class of '82 for making these four years not only a learning experience, but plain fun!"

Senior Spotlight

Jim Metz

Undoubtedly an outstanding wrestler, Jim Metz is also an outstanding student. He has managed to maintain a 3 97 grade point average, in addition to developing the physical stamma necessary to excel in such a difficult sport

Jim started wrestling in his freshman year, because as he says, "It's one sport where you don't have to be too big." His size didn't seem to affect his athletic ability. however, as Jim went on to become Santa Teresa's Most Improved Wrestler the year after. He has placed in League tournaments, and has competed in the regional tour nament. In his junior year, he went all the way to the Central Coast Section, and last summer Jim qualified for the Junior National Tournmanet held in Iowa; he was one of three representatives in his weight class for the entire state of California.

Jim hopes to receive a wrestling scholarship to Stanford University or San Jose State, and eventually become a computer engineer "Wrestling has really given me a lot of discipline," he says, "and I feel ready to tackle just about anything."

Gayla Ivery

When Gayla Ivery is mentioned around Santa Teresa, it isn't long before the word "spirit" pops into the conversation. Gayla has been a football cheerleader since she was a freshman, and was recently voted the best all-around student by the senior class. "I'm a naturally crazy person," she says, "and cheerleading gives me a chance to express myself"

In her sophomore year, Gayla's squad won a Spirit Stick at cheerleading camp, and they won both the Spirit Stick and the Superior Trophy her senior year Gayla has been a member of the Black Student Union all four years at Santa Teresa, and belongs to MESA, a math, engineering and science organization for minority students. After high school she hopes to major in premedicine at college and go on to become a pediatrician.

Gayla is very close to her family, who give her a lot of support, whatever she does. She is also indebted to teachers like Mr. Cope and Mrs. Hoglund, who have taught her discipline and helped her prepare for college.

"Cheerleading has given me a lot of experience in leadership and getting along with people. I've learned to blot out the stereotypes that some people have of cheerleaders, and concentrate on raising spirit."

Aaron Reinolds

"Generally, the people at Santa Teresa are more genuine than anywhere else I've ever been. They seem to be capable of opening themselves up and showing who they really are inside." So speaks Aaron Reinolds, a sensitive, expressive senior who expresses himself best through his music.

Aaron has written fifteen songs, all of which are copyrighted. He has been playing the guitar for ter years, and his extraordinary talents enabled him to win first place in the Santa Teresa Gong Show his sophomore year He performed in the folk concert his junior year, and has sung in other talent shows since then. Aaron's repetoire of songs in cludes "Trapped Like a Fly," "Elfsong," and "Sister." After high school, he plans to attend San Jose State University and major in music.

In addition to his songwriting abilities, Aaron has recently shown a talent for acting. He played Dr. Herman Einstein in last fall's production of Arsenic and Old Lace and has been a member of the San ta Teresa Barber Shop Quartet.

"I really owe a lot to teacher like Mr. Wells, Mr. Campbell, and Mr. Lemmon because they had a lot to teach me and were willing to take the time — you can tell that they have a great love for music."

"I like helping people and communicating with them," says Ngoc-Trang Tran, and she seems to have a special gift for doing just that. Trang is the president of the Vietnamese Club, as well as a member of the French and Spanish Clubs. She has helped many students from foreign countries get started at Santa Teresa by helping them learn English and assisting them with their studies.

Not only is she a good student, but Trang works 30 hours every week after school. She is diligent and hard working, and when she finds free time. she likes to paint and draw. She is also interested in sports, cooking and music, and plays the piano and the guitar. After high school, Trang hopes to go to UC Berkeley and major in language. She wants to get a degree in special education for the deaf and handicapped and someday use her abilities to help the underprivileged in foreign countries.

"I want to put into life whatever I get out of it, and try to make the most of

John Blocher

"Science and mathematics will get you where you're going," says John Blocher, "But they won't fill your soul like music will."

John has certainly filled his soul at Santa Teresa. He came to us from Merced in the tenth grade, and has been in jazz band, concert band and marching band his sopnomore, junior and senior years. He plays first chair claringt in the marching band, and tenor saxophone in the jazz band. John is a member of the Santa Clara County Honor Band, as well as the California All State Honor Band. He has made five record albums in band and has won. two medals for outstanding musicianship in the All State Honor Band

After he graduates from Santa Teresa, John wants to go to San Diego State and major in music, afterwards, he hopes to become a member of the San Francisco Symphony.

"The key to music," he notes, "is tipping the scales in your favor. Once you have done this, you will become an instrumental success."

Elizabeth Ezra

Anyone who is familiar with Elizabeth Ezra knows that she has a passion for horrible puns and rarely fails to come up with an especially bad one at inopportune moments. Elizabeth is very involved in school activities and is a member of the Performing Arts Club, the French Club, C S F, and the National Honor Society. In addition to holding memberships in these clubs, she is the president of the Writers' Club and the KSTS Broadcasting Club

In her junior year, Elizabeth was an editor and co-founder of the underground newspaper The Asylum "I'm very proud of the creativity that went into publishing the Asylum, not to mention the typewriter ribbons and rubber cement . . . " She was also published three times in "Seventeen" magazine her juniot year.

Very active in drama, Elizabeth has had parts in Santa Teresa productions of Don't Drink the Water, Play It Again Sam and Bye Bye Birdie, and last fall she played Abby Brewster in the drama departments Arsenic and Old Lace After high school, she plans to attend University of California at Santa Cruz and become a writer Elizabeth also happens to be the copy editor of the Compendium, and remarks that she was very uncooperative when she interviewed herself for Senior Spotlight.

Steps

Some of us met in grade school, and others of us met in junior high. And some of us came together here at S.T. We all have grown to become friends. Just like you and your friends. And along the way we watched each other's memories grow. And then we suddenly wondered where did all the time go? One day we were just starting school; summer vacations lasted forever; and winters were endless days. At that time our eyes never saw past each day's sunlight. But today, this sun is different now, because it shines on grown-up opportunities and college life

To Tracy - My little sis, it's 13 years since the first time I met you; its been the best! I wouldn't trade our friendship for the world

Darlene and Stacy - You are very dear to me and I'll never torget you

Sue and Kathy - It's been a blast'

Tiny Hinie - What's you doing after graduation? Remember

13 years ago? It's been great! Keep in touch

Jenise — Remember the pyramid in our freshman year? You're
a really good friend and I'll never forget you

Lynn - You're just like my little sister, thanks for listening to all my problems

Mary - Remember every Wednesday, Prep.

Traci and Ringy - I'll never forget the play, Loosie Livest

Poo Bear - I'm still waiting behind the clock

Mrs. Goodenough - Thanks for putting up with all the joking. Remember the pickles?!? And to everyone else, teachers and students whom I could not fit in this page, I'll miss you all! Thanks to Laura for arranging this page - P.H.

Football Song Girls

With the happy moments we've shared, the happiest one was when we received the U.S.A. Spirit Stick. Winning that stick really made our year!

Promoting spirit and unity have been the goals of our squad this year. The task of boosting spirit in a school like Santa Teresa has become difficult at times because of the large number of activities planned, but we, the 81-82 Song-Girls, have done our best to raise school spirit. We hope, in years to come, Santa Teresa will be on top of the list for enthusiasm, spirit, and school unity!

After two months of practicing our routine to "Paradise" five days a week, two hours a day, we were finally ready for camp at Santa Cruz this year. The night before camp, all seven of us slept over at Sherri's house. We painted signs to show our school spirit, and at 11:00 pm we went to Alpha Beta and bought \$35 worth of junk food. We hoped that it would last us the four days of camp

When we got to Santa Cruz, we learned many exciting routines, like "Superfreak," "Give It to Me, Baby," "Popeye," "Raiders of the Lost Ark," and "Rock It." The second night, we did a skit with the basketball lettergirls in the Gong Show. On the third night, all fourteen of us slept in one room and pigged out on all the munchies!

During each day at camp, we were evaluated on the cheers and routines we learned, and when it came time for the awards, we received a Superior Trophy!

This year's theme was "Better than Ever," and the Varsity Football Cheerleaders knew it was going to be just that when we brought home the Superior Trophy and the Spirit stick! Everyone was so excited we couldn't wait until we got home to tell the other squads how we did. Last summer was special for the Football Cheerleaders because we shared all of the excitement and happiness with the Varsity Basketball Cheerleaders. It was so much fun doing "That's the way to win," with them at the Opening Day Rally. We felt like one united squad, and would like to say, "We love you, Varsity Basketball," and will never forget "Oh what a Saint Badumbum, chaa, chaa!" There are so many happy memories that each squad shares with one another, like TP-ing football players' houses, cheerleading camps, football games, and many more. It will be said when our season is over, but we will always be able to look back and say that 1981-82 was "Better than Ever!"

I don't think any of us will forget this year. It was tough at first, learning to work with each others' craziness, but we did it! Then we learned that a week's practice didn't count if we couldn't show up for the game, so we worked harder. Practice was fun, although sometimes a pain, but to be good at anything, practice is mandatory. So we practiced and practiced and practiced because we were so determined to be "Better than Ever!" It paid off. Our first game was the greatest; we were out there cheering our team on to victory! Remember that bus ride home? Who could forget them, right? Remember the runaway run-throughs and rallies? Yeah, we lived through all the headaches and the good times. We'd like to say "Thank You" to all our friends who supported us at the games, and especially Joni for helping us. Last of all to that special guy on the team, Thank You!

Basketball Song Girls

This year was the greatest! We will always cherish the fun times we had. The week before camp we were going crazy trying to make sure we would be prepared. We will never forget the 7:00 a.m. practices, just so we could all be there to perfect our routine. If we all couldn't get together, we would have two practices a day, which happened every day that week. Finally, the big day came, the day we went to USA SPIRIT CAMP in Santa Barbara, with the Fall Song Girls. For those four days we were the rowdiest squad of twelve, which helped us to win the spirit stick on the third day. We really appreciated the support of the Fall Song-girls cheering us on. At the end of those four days, we knew we would never forget the tears and joys we all shared. We couldn't say we came home empty-handed. We won a trophy the last day, all twelve of us. This was only the beginning; next was the real text. We knew we would have to be our best because we represented our school, Santa Teresa. Supporting our basketball team and having fun at the same time was a real pleasure! All in all, our hard work paid off, and this year proved to be "Bet ter than Ever!"

This summer was one none of us will ever forget. We started at the bus depot, just four cheerleaders ready to go to Santa Barbara for the most radical week of our lives. We were the smallest group, but in our hearts we were the biggest. We started our first evaluation with an outstanding ribbon and yet, dreamed for the spirit stick. The next two days we moved up to an excellent, and we knew we were one step away from the superior, the ticket to our spirit stick. Finally, we did it, on our last day, we got our superior ribbon and the spirit stick. It was a feeling all of us will cherish. Suzanne limped up to accept our stick as tears ran down our faces. We will always remember the friends we made and expecially, Mike! Remember the "Popeye" routine, and when we went for our meals. We were so hungry, and our trays were filled with desserts. Always remember gang, we're #1

This year is one we will treasure for the rest of our lives. From the day we were elected, last spring, it has been a year of excitement, sadness, frustration and just plain happiness. All summer we worked hard on a routine called "Falling in Love," which we practiced and perfected for camp competition. Getting up early every morning for 8:00 am practices, we awaited the day of Aug. 1, 1981 to leave for U.S.A. camp. When that time finally came, all seven of us, in matching outfits and punk rock glasses, decorated a van with our lettergirl spirit and departed for the University of Calif., Santa Cruz. At last, we were on our way! We all know that nothing could ever replace the times we had and things we shared

Yelling and screaming, making some of us lose our voices, we came home with a spirit certificate. We shall never forget the fun we had doing "Superfreak" routine the "Bad Girls" skit, and all piling up with the football lettergirls in one room, the last night of camp. We all got to be so close because of the things we shared. We didn't want to leave it all, but now it's passed and still a wonderful memory which is "Better Than Ever!" U.S A camp was an experience which we will always cherish

Varsity Basketball Cheerleaders

Last year when we found out that five of us would become the squad of the Basketball Cheerleaders, we were happy that it was to be us. During the summer we went to camp U.S.A. at Santa Cruz with the Football Cheerleaders. We worked hard, but it was worth it. We had a lot of determination and succeeded in bringing home four Superior ribbons. In keeping with the traditional S.T. spirit, we also brought home the Spirit Stick. We started the season cheering for cross-country and found ourselves on the sidelines of the basketball court. We had a great year and lots of fun.

Junior Class Officers of 1982

Being Junior Class President was a great honor. Thanks to the Class of 83 this year has been a great success Vice President Corey Mandel, and Secretary/Treasurer Lisa Rid , eway also put in hours of their time for the successof the Juniors. The class engaged themselves in an assortment of fund raisers that included such activities as the sale of sweat shirts and candy. The activities were carried out with the ultimate goal of producing one of the finest Junior Proms at Santa Teresa I wish to express my great thanks and gratitude to Core, and Lisa and the whole Class of '83 Thanks for your support, '83

Junior Class President

Cathy Toscano

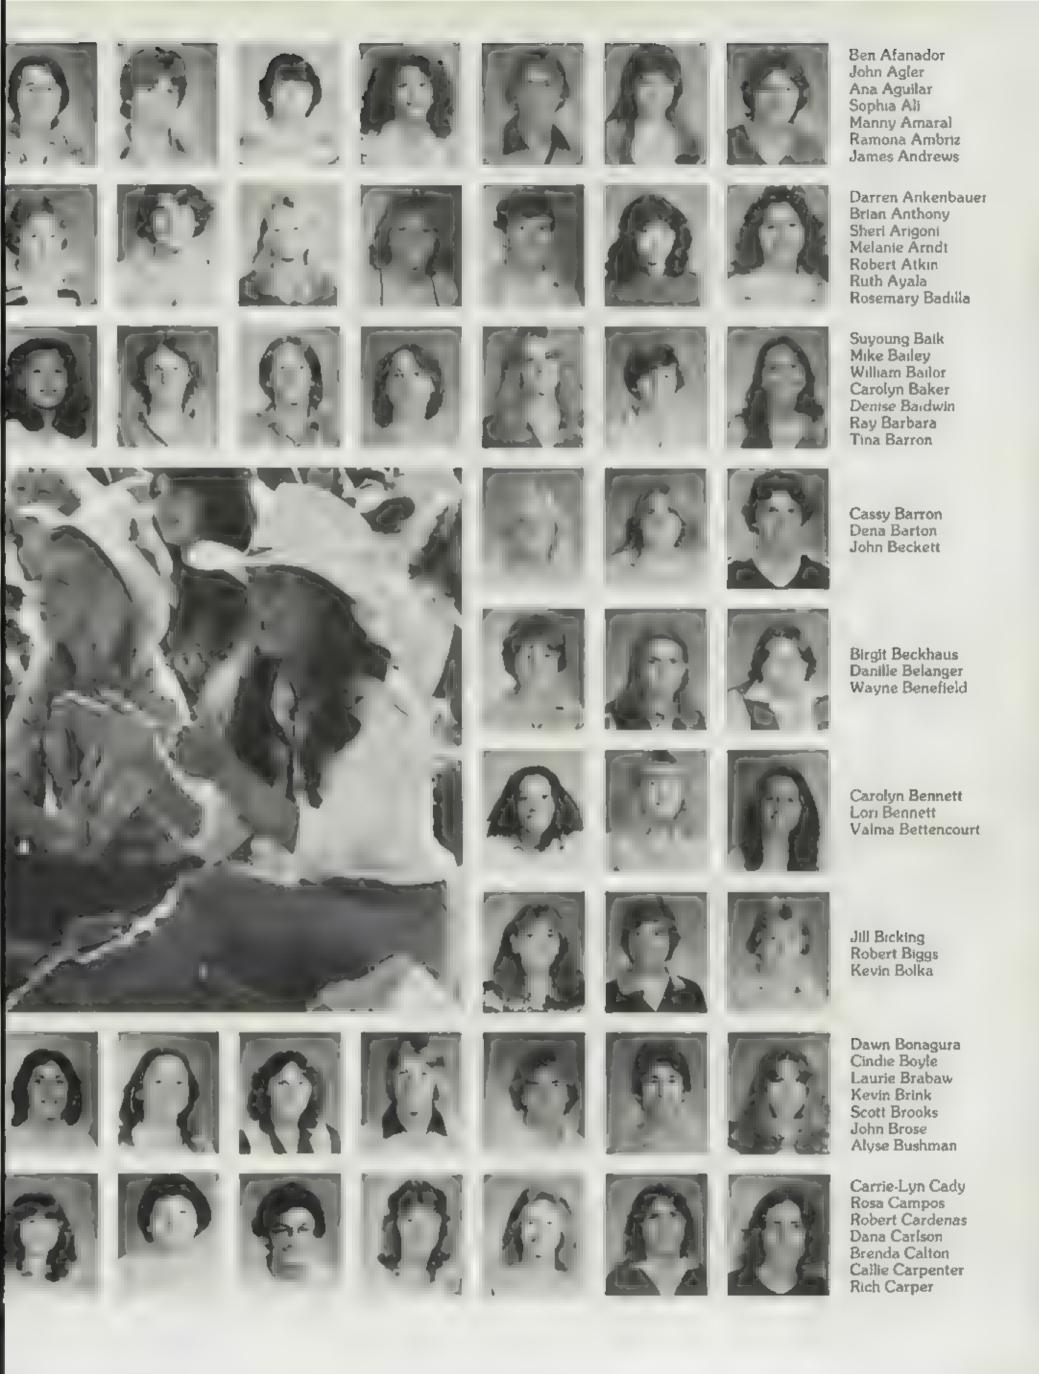

The Class of 83 has demonstrated its superiority throughout the year with successful class meetings, fund raisers that have broken school records, and a spirited determination to develop a unique and memorable Junior Prom

I would like to thank the entire Junior Class for its spirited support, and especially Cathy Toscano and Lisa Ridgeway. It was their unique combination of creativity and enthusiasm that made it possible for this year's Junior Class to be such an explosive success The Class of '83 We're the best — and getting better

This year's frosh/soph football team completed the season with an 8-1 record and the M.H.A.L. League championship. The team had an outstanding group of freshman. Wide receiver Travis Knox, Quarterback. Fony Pearl, and running back Larry Luscher all played key roles in the success of this year's team. Sophomores Jack Reiken, Milt Thomas, and Brian Balbas showed great improvement from the previous year, and we are sure they will contribute to the success of next year's Varsity Team. With many freshmen returning, next year should be another banner year for the frosh/soph Saints.

This year's girls' swim team completed their best season ever.

The girls captured their fourth consecutive M.H.A.L. championship. They also received an oustanding fourth place in C.C.S.

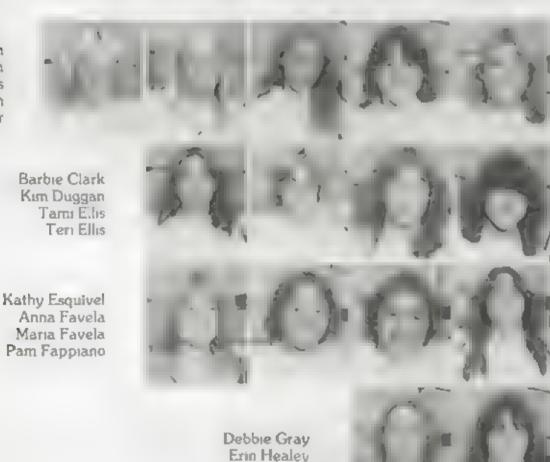

The team was lead by junior Debi Von Ruden. She qualified for high school All-American times in the 50 and 100 yard freestyle. The relay team, consisting of freshman Sue Brown and Teri Ellis, sophomore Tobi Kleiner, and junior Andrea Macadaeg, also qualified for a high school All-American time in the 200 yard medley relay.

The Saints finished the season with a very successful record of 10 and 3. Tough competition from the Independence and Piedmont Hills teams gave the Saints their only losses. Outstanding efforts were displayed by the team's #1 singles' player, Nancy Dowling. As a sophomore, she ended the season with a win/loss record of 12 and 1, placing her first in the league. Vital to the team's spirit this year was sophomore Gidget Uda, who was the most congenial and most improved player. She played in several varsity matches during the latter part of the season, and can look forward to being in the top 10 next year

The Saints' four singles players and two doubles teams competed in the MHAL Playoffs. Cheryl Machado, the #2 singles player succeeded to the finals where she was defeated by Independence's #1. The doubles team of Dowling and Machado set a record for the second straight year when they easily defeated Piedmont Hills and won MHAL honors. The team then went on to play in C.C.S. competition lost to an outstanding team from Palo Alto

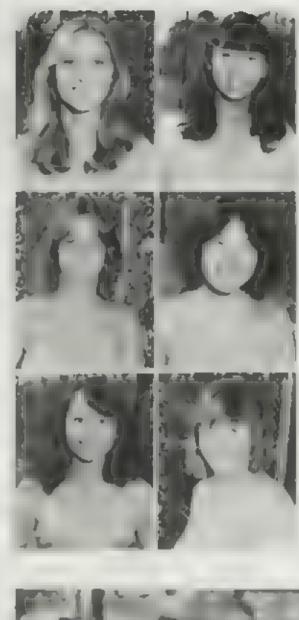

They placed third in the entire league of 10 schools. We will be losing three players, but the remaining talent and skull should place S.T. on top in '82

Varsity Volleyball

This year's team had one of the most tense and exciting seasons in the school's history. They dubbed the "comeback" kids early in the season when they went into third game tiebreakers with Leland and North Salinas. A loss to Independence in the second league match proved to be both a burden and a blessing. It put added pressure on the Saints to win. However, the notorious nine took the loss and used it as a team strengthener. They learned from their errors and pulled together in a total effort to come out on top. The Saints went on to overwhelm the undefeated Royals, 159, 6 15, 15-11 taking over the first place spot and eventual league title In C C S., the Saints creamed Carmel High 10-15, 15-1, 15-4, but fell to highly ranked Gunn 10 15, 13 15 in an outstanding final match. Lisa Ice was named M.H.A.L. Most Valuable Player by a unanimous vote of the league coaches. Ail league honors were garned by Caille Carpenter, Karen Chamberlin, and Traci Tremoureux with Rosalyn McNeal receiving honorable mention. The team M V P. award was shared by seniors Lisa Ice and Karen Chamberlin, with Callie Carpenter capturing the Most Inspirational title

Coach of the Year

As part of a new feature in the Compendium, we are proud to select Mr. C. J. Howard as our coach of the year for 1981-82. Although several coaches and teams had outstanding seasons, Coach Howard's varsity basketball team provided S.T. fans with entertainment, excitement, and surprising success. Given a group of players averaging just over six feet tall and lacking a superstar to depend on in crucial situations, Mr. Howard utilized to their fullest the special skills of each individual and guided the team into the C.C.S. play-offs in defiance of the laws of probability. And it was crowd-pleasing basketball all the way

Some of it was attributable to luck, and a great portion to his knowledge and experience as a coach and a former collegiate player. But the special ingredient, according to every last member of the team, is the man's dedication, temperament and positive regard for the dignity of his players, which they absorbed, instilled in each other, and exuded on the court in competition. Mathematically, it resulted in a winning season, but the numbers do not tell the story of the respect and admiration that he personally won from his team. If you want that, you have to play basketball for C. J. Howard.

Lisa Ice's athletic accomplishments at Santa Teresa High School have put her in a special category. She has lettered 3 years in volleyball, 4 years. in softball and 4 in basketball. In addition, she made first team all league 3. times in voileyball and basketball. Her string of records and achievements in basketball suggest that she was the most dominating player in the C.C.S. She scored a total of 1745 points in her four year career, scored in double figures 77 games in a row, set a school record of 42 points in one

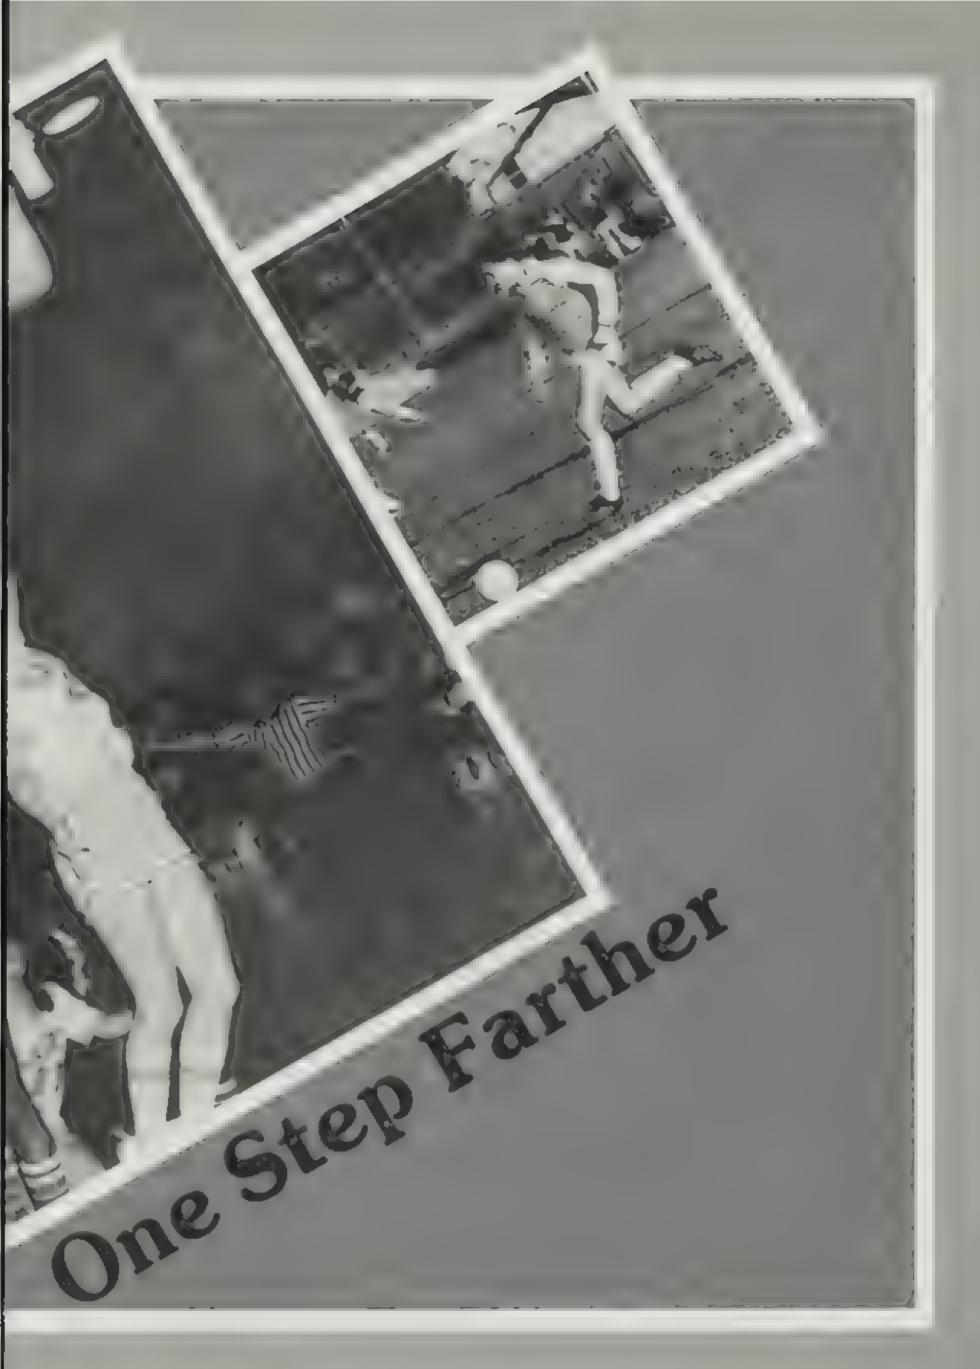

game and was twice selected all-C.C.S. In addition, she has a strong chance of being chosen as a high-school All-American. Santa Teresa Is proud of her and wishes her great success in the future.

The Boys' Varsity Soccer enjoyed one of its best seasons ever, advancing to the C.C.S. quarter finals before losing to #1 ranked Saratoga in an overtime shoot-out

After being edged out of the league championship by half a game, Santa Teresa entered the tournament as the MHAL's second place team. The Saints brought with them a 7-1-1 league record and an 10-2-2 overall mark. The most memorable game of the season occurred in the tournament in a 2-1 win over highly ranked Santa Clara Veteran goalie Jeff Wudarki went down injured. Freshman Mark Dougherty proceeded to put on an incredible exhibition of goal keeping and kept the Saints in the match The score at the end of two overtimes was 1-1. The single Saint goal was scored by Jim McConnell. The game was eventually decided on penalty kicks. Standouts for the Saints this year were Randy Prescott, the league's most valuable player, Duane Dirstine and Jeff Wudarki who received first team all league honor; and Matt Willman, Scott Kouns and Andy Zavodnick who received second team all league honor

Girls' Soccer

This year a Girl's Socoet Team finished higher in the M.H.A.L. then ever before, with its 3rd place finish. The Saints had a 5-2-2 league record and a 7-2-2 overall record again the best ever. The leading scores for the Saints were fieldy Emrich with 6 goals and Debbie Spina with 5. Debbie also had the most seciets with 5. Gloriann Neverve had 5 shut-outs this year as the Saints Goalie and allowed only 10 goals all year

Gloriann Nevera Chris Calvello Coach Wade

The team selected Carrie Valdivia as the "Most Valuable Player," Debbie Peeta as the "Most Improved Player" and Stephanic Clark as the "Most Inspirational." Team Co-Captains were Carrie Valdivia and Gloriann Neverve. Taking first team all league honors were Carrie Valdiva and Debbie Spina, while Gloriann Neverene and Debbie Pesta took second team all league. There were no Seniors on the team, no next year the Saints could be the best team in the league.

Varsity Wrestling

This year the Saints Wrestlers were plagued by a number of different injuries and hardships. The season started with a dual meet tournament in which they won 6 and lost 2, placing 3rd overall. Going directly into the M.H.A.L. season, the Saints were without 4 starters. They lost the first 3 duals. However, the test of a good team is the ability to come back. The Saints finished the remainder of the season undefeated (6-3), placing 3rd in the M.H.A.L. At the M.H.A.L. finals, the Saints qualified 6 to the CCS. They were Arnold Khanbabian, 5th, Jason Ng, 5th, Eric DeLa Rosa, 2nd, Rich Fambrini, 3rd, Todd Harman, 6th, Ron Garcia, 2nd, and Ivan Clarke, Champion.

Ivan Clarke Eric De La Rosa Rich Fambrini

Highlighting the tournament season was Ivan Clarke. Ivan placed: 1st Coast Classic and was MVP, 1st Dr. Abraham and was MVP, 3rd MSJ, 3rd Mid-Cal Championships and M.H.A.L. Champion MVP Ivan's overall record is 28-3 with 22 pins. Still to come is CCS and The State Meet. Captains for this year's varsity wrestling were Jim Metz and Ivan Clarke

Todd Harman Arnold Khanbabian Mike Meekie Coach Pichardo

Frosh-Soph Wrestling

This year's Frosh/Soph wrestling team posted a 7-win 2loss record, only good for 3rd place in the M.H.A.L. The teams this year were well matched. The tournament placings for the Saints were 8th at the Silver Creek F/S tournament, 3rd at the Overfelt F/S tournament.

Stand-outs for the Saints were John Tomlinson, John Garcia, Mike Ross, Dorius Gomez, Jack Reiker, Tim Lisemby, Brent Johnson. Captain for the Saints was John Tomlinson.

In order to fill voids in the Varsity line-up, Jimmy Ventura, John Tomilson and John Ordonio were brought up to the Varsity team. Jimmy Ventura came through for the Saints by placing 6th in the Varsity M.H.A.L.

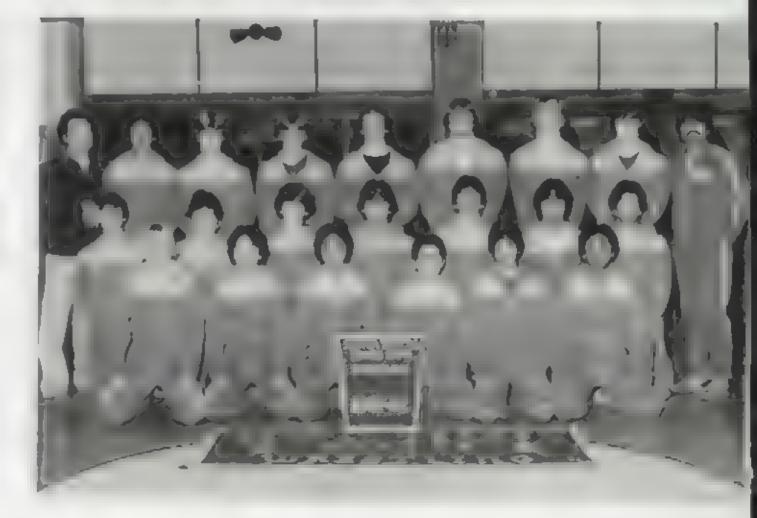

Each of the Frosh-Soph wrestlers will be aching for a chance to crack in to the Varsity line-up in 1982. Great Season!

Badminton

This year's badminton team promises to be better than ever. We had a record-setting forty people try out. There are only fifteen official positions, but we are carrying twenty-four on our roster. This will give us an opportunity to build for next year as well as provide a challenging situation within the team.

Our four seniors are in their third year of varsity badminton. Number one singles is Debbie Dorsch, who placed fourth in the league last year. Numbers two and three, respectively, are Mary Raymer and Cheryl Rohde. Diane Ichinaga will fill in at the number one doubles spot. Also included in our returning players are juniors Lori Bennett, Tracie Christmas, Chris Stasi, and Yogi Uda; returning sophomores Lana Paler, Shireen Tavassoli, and Gidget Uda. Although the rest of the team are new to competitive badminton, the skills, enthusiasm and postivie attitudes that have been displayed thus far point to a great season

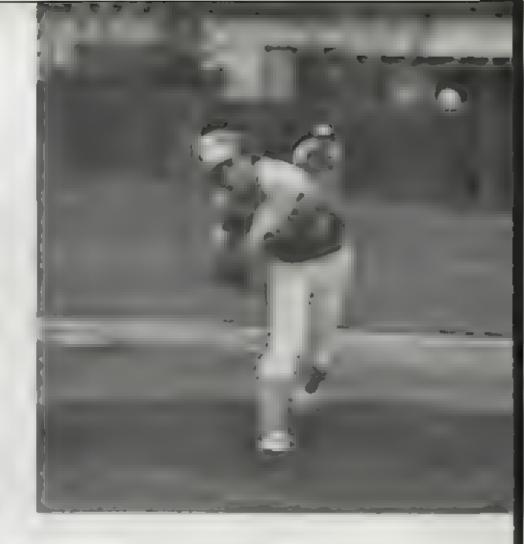

Varsity Baseball

The 1982 edition of the varsity baseball team will base its hope of capturing the M H A.L. crown on youth. After graduating an all-senior starting team last year, the Saints will rely on catcher Doug Garabito, shortstop Steve Koch, and outfielder Andy Zavodnick. Newcomers to the varsity this year are sophomores Beau Hastings (pitcher), Mark Benevento (first base), Steve Darnell (second base), and Dave McCorkell (pitcher/outfielder)

The Saints will be an exciting team to watch because of good team speed and solid defense. As always they will be a force to reckon with in the South Division

Varsity Softball

A group of strong newcomers added to a powerful group of returning varsity players seems to be a winning combination for the 1982 Varsity Softball team.

The Saints strong defense starts with pitching ace Cheryl Machado, who is backed up by the strong fielding of Trizia Hill, short stop; Debbie Livinggood, third base, and the infield/outfield skills of Lisa Ice and Gloriann Neverve

The offense was developed around the consistent hitting of Debbie Livingood, good bunting of Cindy Jackson and Lisa Ice, backed by the power hitting of Cheryl Machado and Trizia Hill

Boys' Frosh-Soph **Track**

This year's Frosh-Soph team should be enriched with an abundance of talent. Whether or not the team fares well is still a question that will be answered before the season ends. However, there will be many potential stars that should highlight the season. The team will be highlighted by the presence of Travis Knox. Only a Freshman, he is already one of the best hurdlers in the school. He's already set a Frosh-Soph record in the low hurdles. His performance should also be very helpful to the varsity squad. Joe Brink will also help the Frosh-Soph team with his sprinting abilities in the 100-200 and 400. All in all, it will be an interesting year.

This year's team is expected to be extremely strong as there is a very good group of freshmen and many returning lettermen

The sprints will be very strong with Karen and Kristen Dowelt both under 60 seconds in the 440. Also sprinting for the Saints will be Arieda Burch, Laura Henry, and Debbie Spina.

The distances will be handled by Shert Opp, Gina DeLa Rosa, Rhonda Fuller, Carmen Dojahn, Alisa Owens, Michelle Spooner, and Chris Calvello

Velana Ferro is the returning league champion in the 330 hurdles. Also running hurdles will be Cathy Nydam and Laura Henry

The shot and discus throws will be taken care of by Danielle Belanger, Cathy Nydam, and Amy Barron.

The jumps will have Debbie Derfelt (1981 county champion in the triple jump), Alisa Owens, Andrea Lorenz, and Amy Barron

The Saints are expected to break at least 6 school records in the standard events and all the relay records

Boys' Tennis

Although the tennis season has barely begun, this should be a bright season for the Saints. Sophomore Gary Peralta could win the singles. League championship, His is followed on the ladders by Senior Ed Dennison, Juniors Mike Merces, Tony Salehi, Lance Engel, Bret Harte, and Sophomore Derek Gous, all of whom are good solid tennis players. The Saints should have a chance at a winning the Southern Division Championship. If they can knock soft "always tough" Piedmont Hills, they could win the league.

Boys' Swimming

This year's swim team has a very good chance of winning M.H.A.L. with only Independence standing in our way. The heart of the team consists of seniors; Eric Weiss, Jamie Lung, and Frank Ybarra. Juniors are Andy Martinez, Jeff Norseen, and Brian Cockerill. Sophomores Brad Meacham, Rick Eoff, Greg Martinez, and newcoming freshmen Ken Kunkel and Colton Dinks. The team has been working very hard this year and is hoping for a successful season with a win over Independence

Decathalon Team

On Saturday, November 21, at Peidmont Hills High School, Santa Clara County held its first Academic Decathalon. Santa Teresa triumphantly placed third out of twenty-five schools at the grueling all-day event, and placed higher than any other school in the district

The ten different competitive categories were English literature, fine arts, physical and biological sciences, social science, mathematics, career education and awareness, essay, speech, interview, and an exciting superquiz on the subject of energy

Members of the successful team were John Barchie, George Chastain, Ivan Clarke, Chris Hannah, Jeff Koppelmaa, Mike Marshall, and Mike Tomasco.

Unlike last year's state champions Palo Alto High School, who were given a year to prepare for this competition, Santa Tersa's decathalon team had only three weeks to prepare themselves, in addition to keeping up with unusually demanding class loads. Nevertheless, these Saints put forth an outstanding performance of academic excellence

Esprit

The Esprit (meaning "Spirit" in French) is the offical newspaper of Santa Teresa High School. It is published once a month and has a circulation of 2,500. The staff is a motley crew of twenty-four budding young journalists who put in long hours of hard work to make the Esprit one of the best school newspapers in the district. Four members of the staff (Robert Andersen, Karin Mattos, Jennifer Mulcaster and Mike Steinberg) have been accepted to the National Quill and Scroll Society, an honorary organization for high school journalists "I am proud to be part of such a quality operation," says Editor-in-Chief Robert Andersen. "Everyone has contributed a great deal to make this year's Esprit the best paper ever."

"Arsenic and Old Lace

Last year's production of Bye Bye Birdie and Play It Again, Sam were tough acts to follow, but the Drama Department did it again this fall with a superb production of Arsenic and Old Lace. Many newcomers graced the ST stage and showed audiences what they were made of, through thick and thin. The fact that Friday night's performance was cancelled due to heavy rains did not dampen spirits, as the cast and crew bounced back Saturday with a brilliant closing night performance. Arsenic and Old Lace marks director Mary Romano's seventh production with ST, and assistant director Chery Tells as well as stage managers, Angela D'Agostino and Jennifer Mulcaster, all worked hard behind the "scenes" to ensure a successful play

Band

Jazz Band

This year the Santa Teresa High School Jazz Band is under the leadership of the music department's new arrival. Galen Lemmon Despite the addition of four new members and the meeting of class at the crack of dawn, the band is doing well. The group made its debut at the San Jose City Jazz Festival and received many favorable comments from the adjudicator. The next gig was at the local community center for a senior citizens' luncheon. The old folks were really brought to life by the band's rendition of In the Mood and Two O Clock Jump, tunes from the early 40's. The band is now in the process of preparing for the Reno Jazz Festival, which they will attend in March, followed by many other concerts in the spring. The only problem with the band is that it will lose ten of its senior members this year.

A Wedding

... but it's not for real!

The Creative Living classes study many real life situations. Some of these situations are dating and marriage. The class takes a look at their own values in dating and marriage along with the attitudes and values of our society. After studying many aspects of dating, engagement, and marriage, the students put on a mock-wedding. All of the three classes arranged mock-weddings, with all the trimmings, including brides, grooms, wedding parties, clergy, wedding cakes, and receptions. The brides and grooms were: Bernie Johnson and Mark Chambers, Cheryl Tells and Mark Skrbina, and Debbie Berti and Bill Ayers.

Writers' Club

The Writers' Club is dedicated to the pursuit of lunacy. Its president Elizabeth Ezra, along with its sixteen vicepresidents, worked hard to produce ST's best literary magazine ever, entitled. "I Want To Sing and Dance and Throw Away My Bank Book" (available in paperback at a bookstore near you). The advisor is Mr. Sheehy

Spanish Club

The Spanish Club is made up of Spanish class students who are interested in the Spanish culture and traditions. The advisor is Mr. Juan Martinez

German Club

The purpose of the German Club is to expand the knowledge of the German culture. The advisor is Mr. Brown

Pep Club

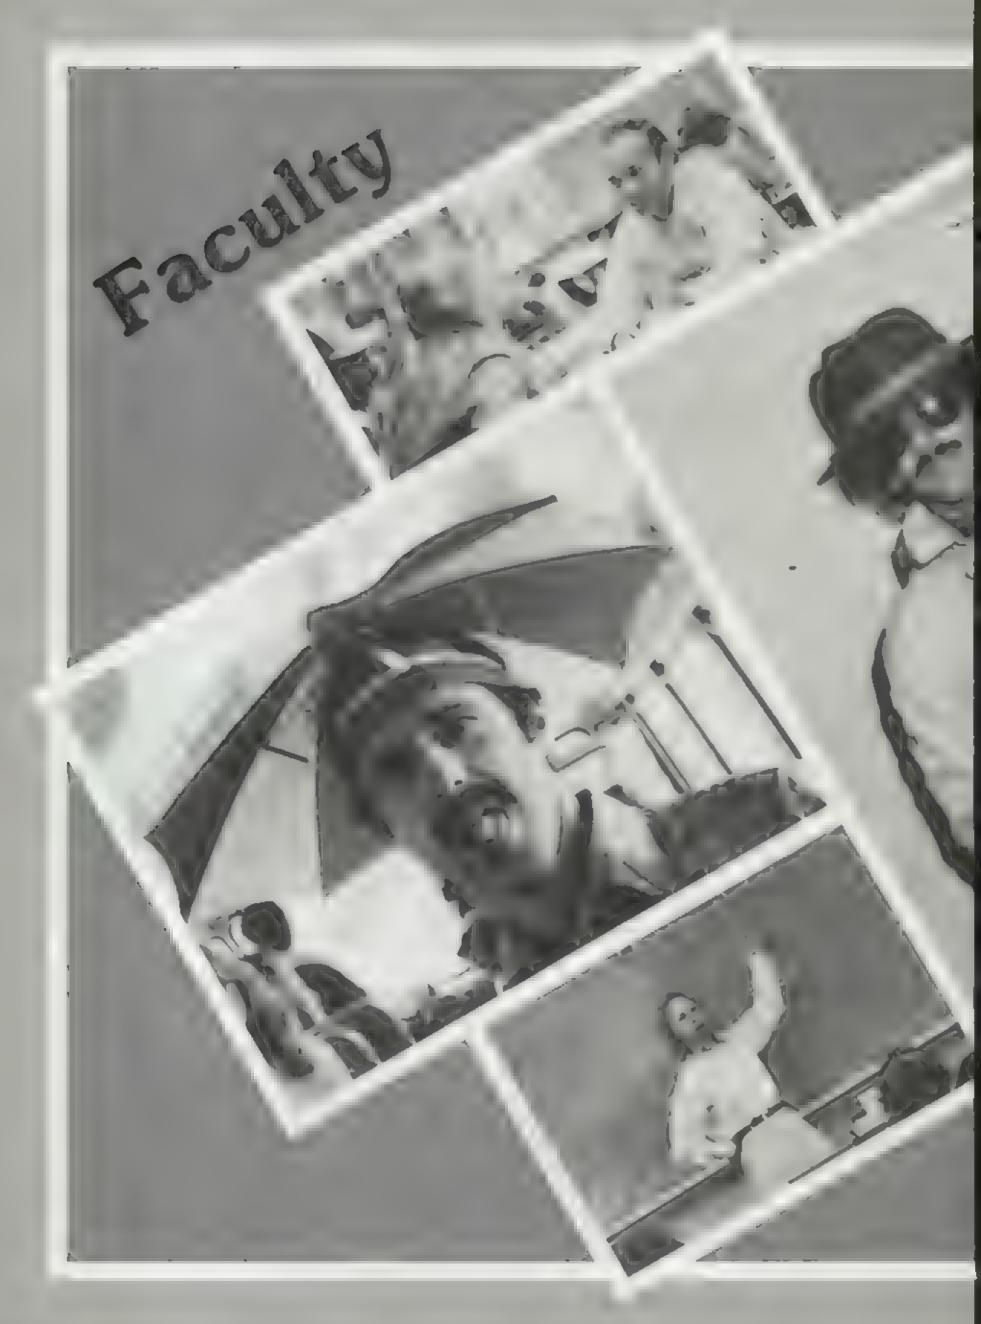

The purpose of the Pep Club is to boost spirit at the ST games. The "Peppers' go to all the games to yell and scream for the Saints. The advisor is Mr. Gigliotti

Ski Club

The ski club is for anyone and everyone interested in skiing. Club members take annual ski trips whenever there is "snow in the Sierras." The advisors are Mr. Caprino and Mr. McClung

Senior Citizens Volunteers

For the first time in Santa Clara County, senior citizens have a meaningful role in a public high school. The volunteer seniors are tutoring students in reading, writing and math. They are also serving as resource people by providing suggestions for adding real-life writing skills to the curriculum. In exchange for thier services, the seniors are entitled to use their choice of Santa Teresa's facilities and/or receive other help as needed.

As a result of the program, the students and staff of S.T. have become involved with the seniors at the Southside Community Center. For example, students from the jazz band and drama class performed at the center. In addition, many S.T. students helped the senior citizens have a nicer Christmas by contributing food during the school's annual food drive. Mr. Gigliotti, a S.T. safety education teacher, holds weekly exercise classes for the senior citizens

Passing seasons,

Many years,

Joy and laughter,

Tears and sorrow

and through it all

We remain together in our hearts.

Love Always, Your Family and B.F. Karen C.

FRIENDS

A shoulder to cry on, an ear to bend,

Money to borrow, clothes to lend.

Friday night movies, afternoon walks,

Being together, our "private" talks.

Mending our hearts, crying those tears,

Planning our futures, voicing our fears.

Our memories together, may they never end.

Always together, forever friends.

Congratulations to the Class of 1982
